PHOTO, VIDEO
+ DESIGN & PRINT

Commercial

We can capture images of your business, inside and out! Showcase your space with quality photos to drive traffic.

Real Estate

Are you a local realtor who is tired of poor quality photos of your listing? NJP has extensive and affordable realty services.

Business Portraits

Capture your team with quality headshots. We offer a variety of styles, from natural to edited to white backdrops.

Aerial Imagery

With a commercial drone pilots license, we are fully qualified to take to the skies and capture aerial shots of high quality.

Virtual Tours

We work with Google Street View as a Trusted Photographer. Let us create a 360 Degree virtual tour of your business.

Product

Whether you offer food or a physical product, your online customers want to see it. We offer high-end food and product photography for all types of businesses.

Pricing based on our current hourly rate, with a 2 Hour Minimum for all projects. All projects include basic editing and delivery of web-sized images. Purchase of full resolution images is available upon request.

VIDEOGRAPHY

MEDIA SERVICES

TV Spots

Let us showcase your business for the big screens, including effects and voiceover work for 15, 30, and 60 second slots.

Project Showcase

Showcase that completed project with a quality video, including aerial videography as needed at no extra cost.

Interviews

Capture testimonials or team members talking about your services in a robust video that will speak volumes to customers.

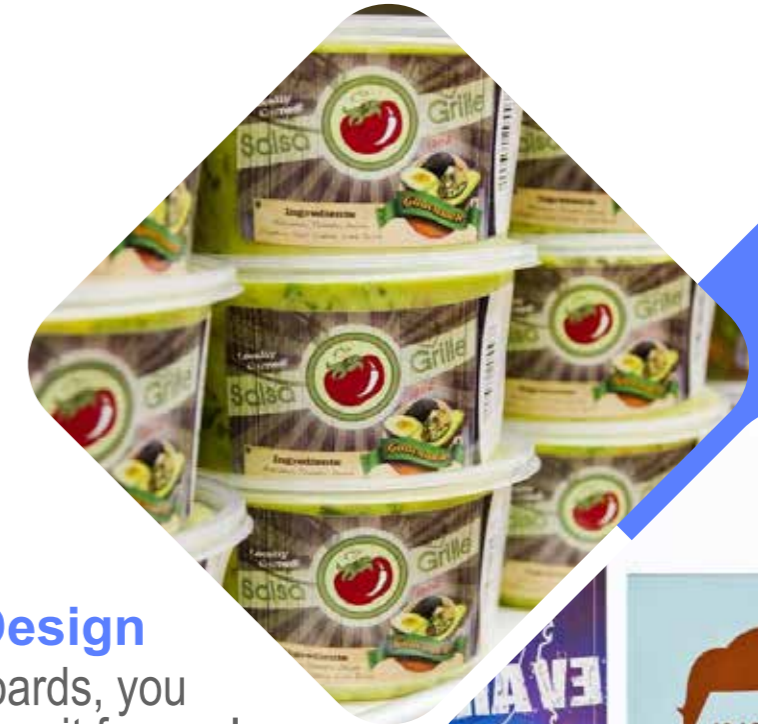

Pricing based on our current hourly rate, with 2 Hour Minimum for all filming and 1 Hour Minimum for editing. All projects include full HD video. Raw footage not provided.

Affordable Printing

With an extensive network of local and national printers, no project is too small or too big for us! Let us quote printing for you to see how much money you could be saving on printing costs.

Custom Design

From brochures to billboards, you name it, we can design it for you! Every project is custom and unique to your brand requirements and delivered in all standard formats. Print yourself, or let us quote affordable printing options.

Pricing based on our current hourly rate, with a 1 Hour Minimum for all projects. All projects include delivery of final designs. Source files not provided.

GET STARTED

MEDIA SERVICES

5 / 5

1

We will discuss the scope of your project with you in detail so that we know exactly what you need.

3

Begin production of your project according to plan, including scheduling on-site work.

2

Quote and coordinate a timeline of completion based on your goals and timeline.

4

Once you approve the final proof, we send an invoice and your final product for you to use.
